

## *Blarney Library Visual Guide*

This guide will help you know what to do  
and what to expect when you visit  
Blarney Library

Arriving at The Library

Blarney Library is located right on Blarney's Square next to the AIB bank, Garda Station and Blarney Castle Hotel. There is street parking around the square.

Entering the Library

You will push and walk through this main door to get into the library.

Seeing the librarians

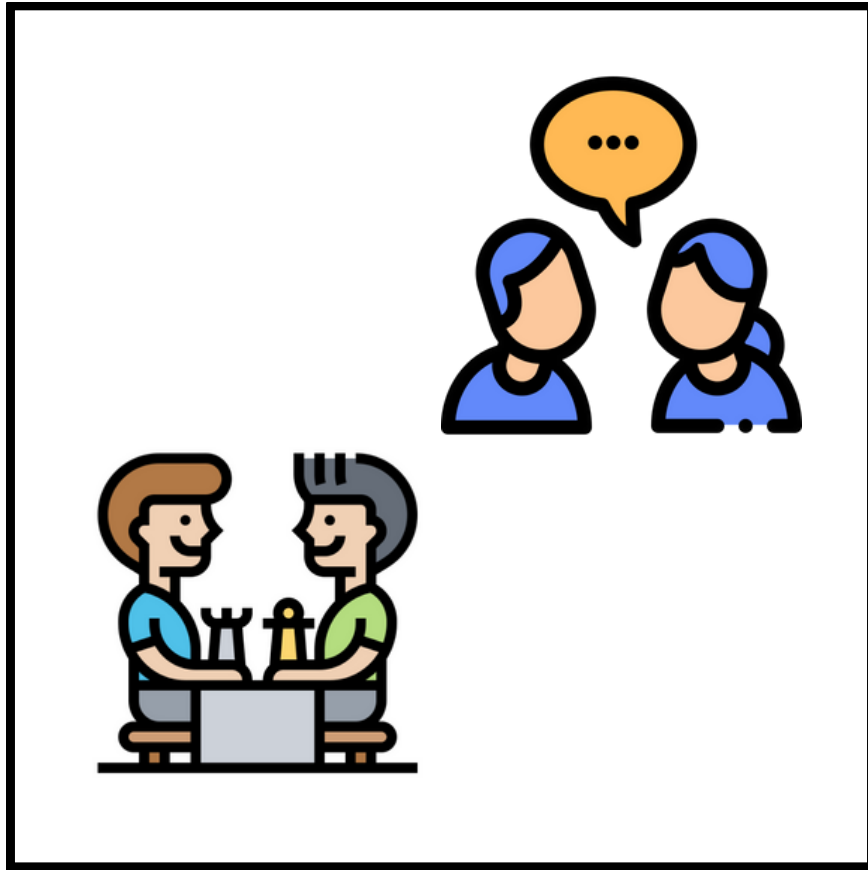

In the library, you will see the librarian.  
They will be happy to help you and answer any  
questions you might have.  
They can help you find books or specific items  
your interested in.

## The Library Layout

Blarney library is a small, one room community space. It has lots of books, a children's section, a public computer, places to sit and read, and librarians' desk.

## Sensory Information

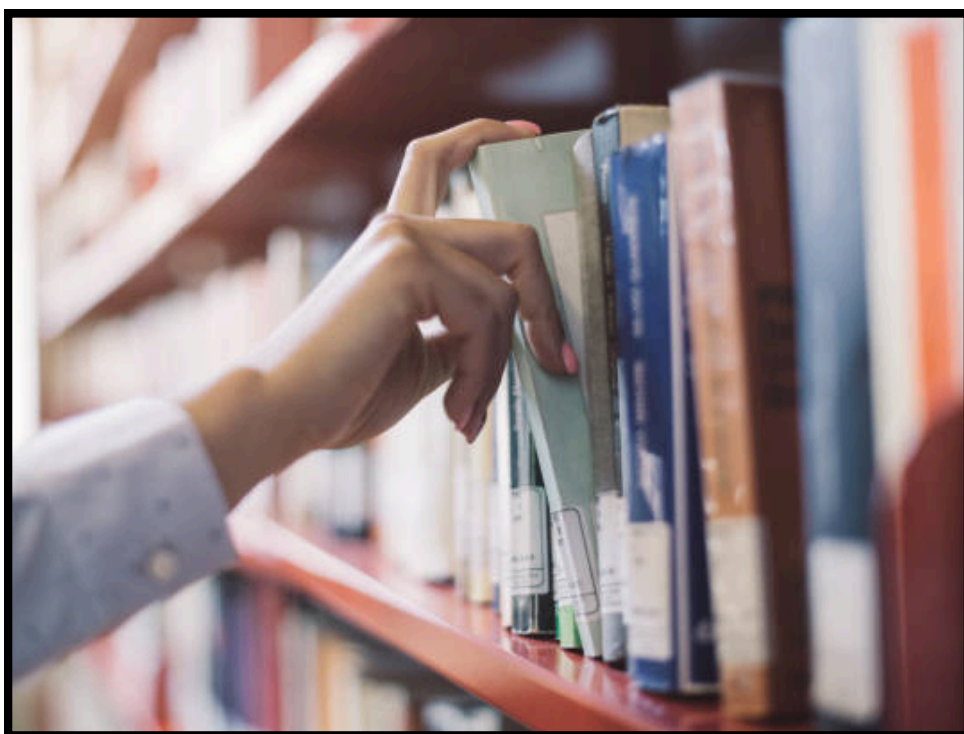

The library space is small, so sometimes can be crowded. It is generally nice and quiet though, and not too bright, hot or cold. During special events – like the chess club – it might be a little bit noisier with people talking and exploring.

Sometimes there is low music playing. The librarians can turn off the music and can turn off some of the overhead lights if requested.

You are welcome to use sensory items such as ear defenders, fidget toys or chewies.

## Looking for Items

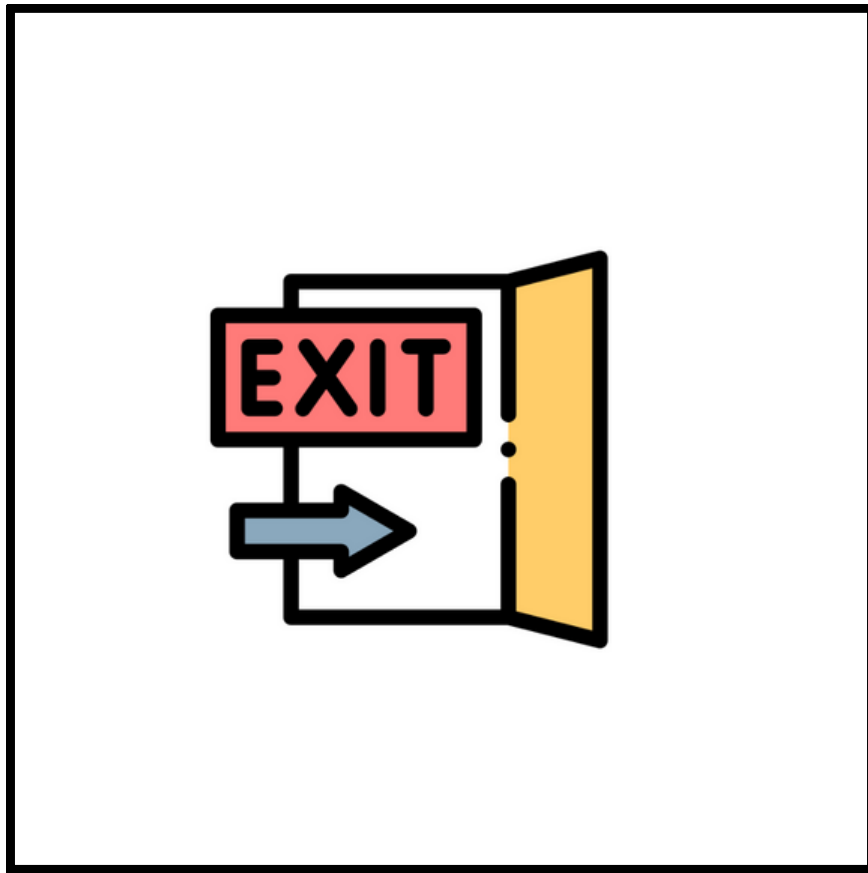

You can look at the shelves to find items you like to borrow. If you can't find something, you can ask a staff member for help. You can use your preferred method of communication and our librarians will do their best to help you.

## Borrowing and returning books

If you would like to borrow a book, CD, or item, you can go to the librarians' desk and they will help you. You should bring your library card, or if you are new, the librarians will help you to get one. This is the same desk you can go to return your items when you are done with them.

Leaving the library

When you are finished, you can leave the library through the same doors you came in.
