## Getting your hair cut

Cian will ask what haircut you want.

You can show him a picture or tell him.

A cape will go around your neck and shoulders. The cape feels smooth and may feel a bit tight. You do not have to wear the cape if you do not want to.

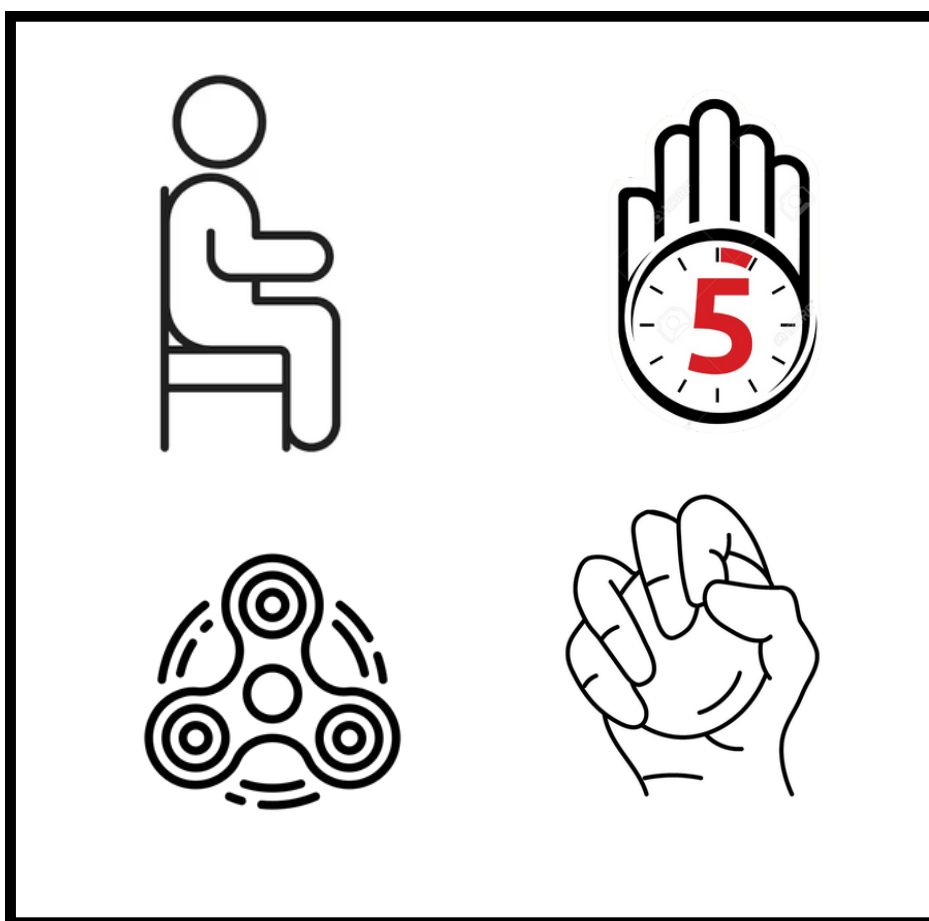

During your haircut

Cian may use a scissors (snip-snip sound), a clippers (buzzy sound, tickly feeling) and a hairdryer (whoosh sound, warm air)

If it is too loud, you can wear headphones.

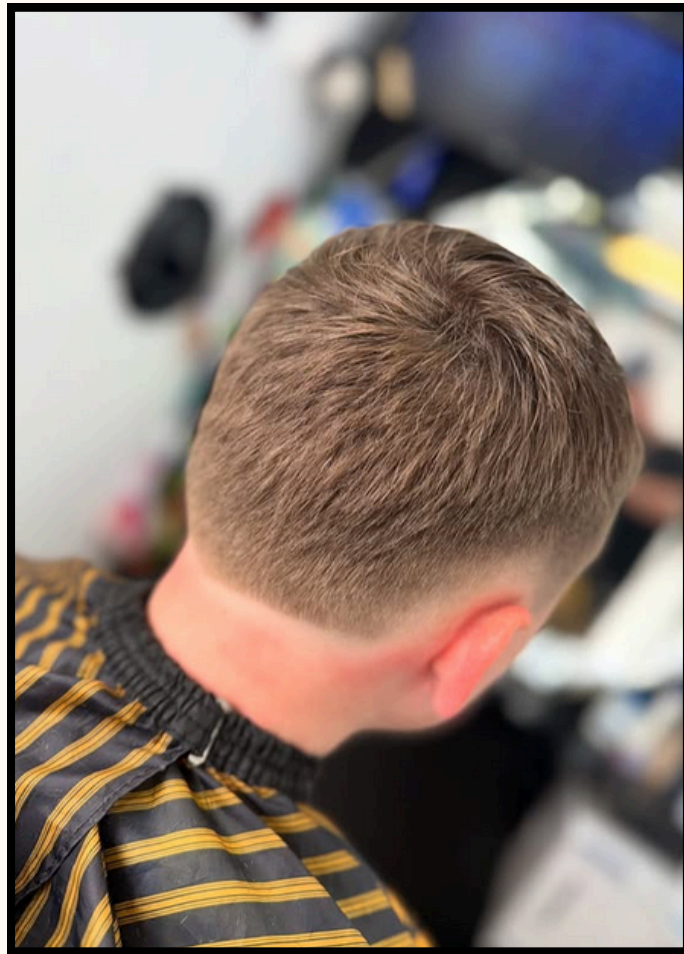

During the haircut

Stay as still as possible.

You can take breaks if you need to.

You can hold a fidget toy if that helps.

You can talk or stay quiet.

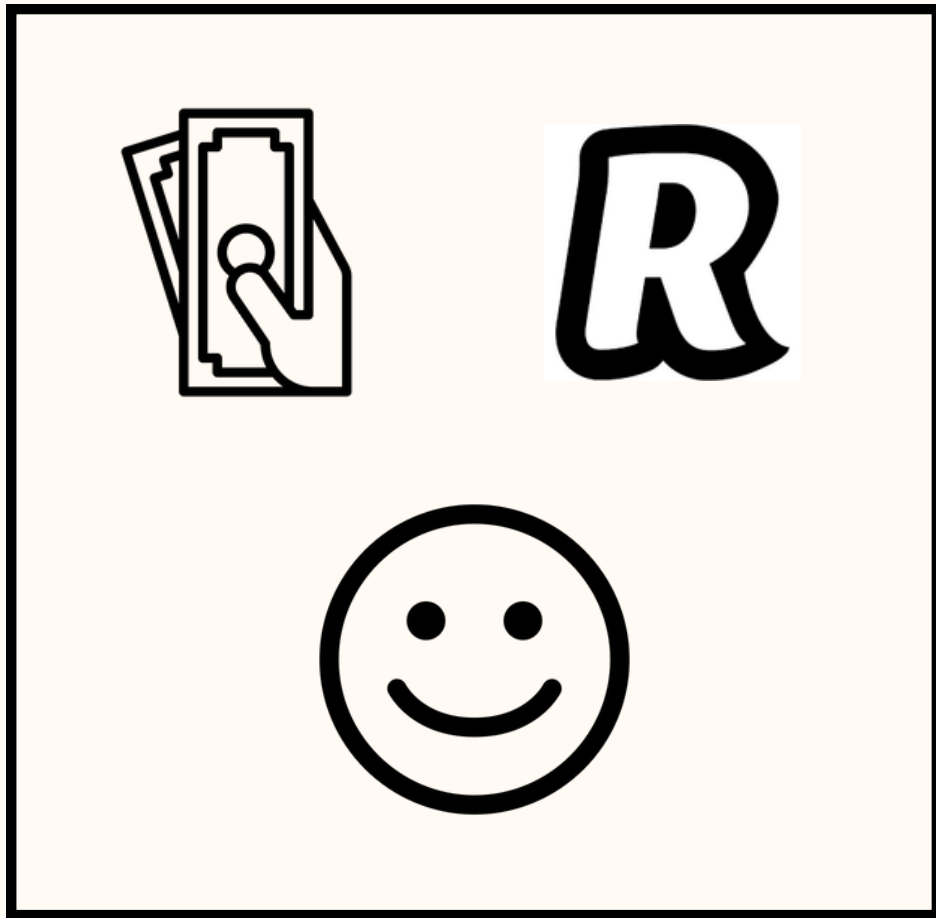

## Finishing your haircut

The barber will brush or blow off little hairs.

The cape will come off.

Look in the mirror to see your haircut.

You can say: "Yes, I like it", or  
"A little shorter please."

Paying for your haircut

Cian will tell you how much you owe.

You can pay with cash or by revolut.

You are now finished

You have a tidy fresh haircut.
